

# TDX21 ALTANO

## A IS FOR ALLURE

The name of this model of coach, Altano, refers to its most characteristic feature, namely the height of the luggage hold (altus: high).

As a fully-fledged member of the range, this high-decker also has the typical TX characteristics: a sturdy underframe, a safe, solid construction with a roll-over structure, an ergonomic dashboard with centrally positioned LCD information screen and integrated climate control.
